Recreation Center In Vista Ready For Council Approval

20% of the Goal Now Reached

Firefighters Fund Drive For Christmas Progressing Well

By R. ROBERT EVANS
Public Relations Officer
S. M. V. F. D.

The first week of the Sierra Madre Volunteer Firefighters drive to raise funds for their annual Christmas party for the children really started off with a great big "BANG" far beyond the greatest dreams of the firefighters, however they do have a tremendous "row to hoe" to come up to the necessary amount of between \$2,500 and \$3,000 to carry on their program for the coming year.

The first week showed that out of the letters sent to the residents of Sierra Madre approximately 10 percent answered and sent in approximately 20 percent of the amount needed. The tabulated total was \$602.

We were in a discussion with a lady the other day explaining to her what the money was used for, to go to the children for Christmas stockings, for Easter eggs at Easter time, and to the welfare of the community for less fortunate people, and she gave us a great big smile.

She recalled that during the early years of the Firefighters' Christmas Dance and their project, which started shortly after World War I, that the firemen would get together weeks and months ahead of Christmas and fix toys and get them ready for Santa Claus to give out at Christmas.

During the depression years she told us that many, many times the gift that was given to the children by the firefighters was their main gift at Christmas. She was one of those

children and she remembered the occasion very, very well.

We should also remember that the children of today feel the same way, they are receiving a gift from Santa Claus and it will be one that they will long remember, because it will be given the night before Christmas and they are full of excitement and expectation. Of

Fire Call Number 55

Sierra Madre Firefighters answered call number 55 Sunday morning at the hour of 11:19 to the residence of B. D. Cathers at 209 Ramona.

Due to six firefighters being at the station, and the report of a possible "hot wire" down, there was no general alarm. Engine 424 responded in 2 minutes 15 seconds under Code 2. Upon arrival it was discovered that the wire was a telephone line that had parted and was blocking the streets. The firefighters cut the wire to eliminate the traffic hazard and immediately notified the telephone company of the condition. Engine and men returned to the station at 11:30 a.m.

PAJ Footballers Roll Up Victories

Pasadena Area Junior All American football teams scored three out of four times this last weekend.

The Junior Bantam Bulldogs started off the events by sweeping aside the Baldwin Park Rangers at Baldwin Park, 3 p.m. The score was 32-0. This is the sixth straight win for Coach Johnson's charges. Sierra Madre boys Eric Skarin, Ronald Biely, Paul Hardy and Mike Cozzens contributed heavily to this team's fine 6-1 record. Next game is with the Lomita Road Runners on November 9, 3 p.m. at Lomita.

SM Wash Cleanup Set For Nov. 9

Robert Roberts, project committee member for the Foothill Area Association, announces:

"Wash clean-up slated for Saturday, November 9, at 10 a.m., this heralds the first clean-up of Sierra Madre Wash. Please let's have all hands participate. Los Angeles County Flood Control District has granted permission.

"Trash will be hauled out of the wash in bag-lined trash cans. We shall attack papers, leaves, sticks, and all trash. Sticks and stones, however, should not go into trash bags.

"Please remember to make distinguishing marks on your tools. Meet Saturday morning in canyon parking lot. Bring rakes and shovels (trash liners if possible); wear heavy-duty shoes and clothes. Refreshments will follow."

Senior Citizens Prepare For New Nominations

The November 2nd meeting of the Sierra Madre Senior Citizens Club was called to order at 11:45 by Frances Gardner. Mr. Dokken, president, arrived at a later hour. Mrs. Gardner led the group in the Lord's Prayer and the Pledge of Allegiance to the Flag. "America" was sung with Vivian Singleton at the piano.

Mrs. Meta Johnstone, of Glendora, was welcomed as a guest and the group recessed for luncheon. Mr. Dokken had returned and the door prizes were distributed.

The minutes of the previous meeting were read by the secretary, Millie Freislinger. The treasurer's report was made by Pearl Patterson. Mr. Dokken talked of the by-laws. A committee to review the by-laws was appointed. Mrs. Ring, Mr. Peters and Mrs. Olson. Mrs. Ring reported on the Los Angeles County meeting. It was decided that all county members pay 50 cents in 1969.

There also was some discussion of insurance and the cost and what should be covered. She told of an international convention of Senior Citizens to be held in Japan in 1970.

Mr. Dokken then appointed the nominating committee to select officers for next year. This included Mrs. McKim, Mrs. Grier and Mr. Pickett. Following this the group adjourned for the program presented by the Mariner group of Bethany Church. Mr. Stan Moyer was master of ceremony. Mary Schafer played the piano and the trio of Margaret Ower, Ava Collins and Della Weeks sang several

No Facilities Offered In City At Present Time

The Recreation Activity Center Development Committee has reviewed preliminary plans presented by architect Robert Wood for a new recreation building to be built in conjunction with the existing swimming pool facility area in the Sierra Vista Park. The need for such a facility in the community has been recognized for some time. At present the community offers its citizens no facilities for active recreation or a meeting space for small groups. Also the concession stand presently used in conjunction with the swimming pool has been condemned by the Health Department and must be replaced before the swimming season next summer.

In September Mayor Rule and the City Council authorized the formation of a Recreation Activity Center Development Committee to work with the architect and coming up with a suitable design for a structure which will serve the community's active recreational needs for the foreseeable future. The Development Committee consisting of Councilman Jack Simons and Gordon Rudolph, Parks and Recreation Commissioners James Snyder, H. L. Dietrich, Ken Kempel, City Administrator Norman Boehm and Parks and Recreation Director Dick Burton began work immediately recommending appointment of an architect evaluating community needs, available resources and by visiting existing similar facilities in neighboring communities.

The building (Recreation Activities Center) is presently planned to include two meeting rooms, capable of accommodating small groups, one of which will provide a sink and hot plate for making coffee, as well as lockers which may be used by various clubs and organizations. The other meeting room can also substitute as an arts and crafts room and will be provided with a sink as well as provide lockable storage space.

As part of the building, a concession stand will be built which will serve not only the swimming pool area as at present, but also an attached patio area.

Rescue Team Try On Search Thurs.

On Wednesday evening, October 30 the Sierra Madre Search and Rescue Team received a call from the National Parks Service at Death Valley for assistance in locating a missing pilot, Tom Padratzick, age 23, of Las Vegas, Nevada.

He and his companion, Karen Zick, age 21, had been on a pleasure flight on Sunday when the plane crashed into a small canyon, 15 miles from a road and another six miles to Park Headquarters.

The first word of the crash came when Miss Zick walked out to the road, was picked up by a passing

Mrs. Anthony Killed In Accident

Mrs. Thelma (Teddy) Anthony, wife of Steven E. Anthony, who is a new member of the Sierra Madre Search and Rescue Team, was killed instantly in a car accident late Friday night, six miles east of Amboy.

The Anthonys, on their way to a weekend in the desert, were near their destination, when the camper in which they were riding with Gary Ewald, was struck in the rear by another car and overturned. Mr. Ewald was not injured.

Mr. Anthony was not seriously injured.

Something New At S.M. Hardware

Something new has been added to Sierra Madre, and more especially to the Sierra Madre Hardware. This week they have joined the Cotter and Company dealer owned company out of Chicago, announce Mr. and Mrs. Tony Harris.

Joining this company puts them in the buying power with 2,600 other dealers to receive the best buys possible for their customers.

Now each month the Sierra Madre Hardware will have a "Special of the Month." This special will be announced in the Sierra Madre News and via a large window banner at the store.

The special will be one selected by the company and will be sold in the stores until the supply runs out. Note this issue for the first "Special of the Month"—they are exceptional buys.

Youth Appreciation Week Nov. 11-17

Ralph Rule Appointed As Chairman To Plan Events

Announcement of the appointment of Sierra Madre's Ralph Rule as committee chairman to plan and coordinate the 1968 Youth Appreciation Week events in Sierra Madre during November 11-17, was made by President Harry Fry of the East Pasadena Optimist Club at their weekly luncheon held at a nearby restaurant last Tuesday.

Mayor Rule graciously accepted the appointment to chair this committee for Sierra Madre at a local council meeting. Mayor Rule stated that he was deeply honored to be given the opportunity to serve this community in this most important and worthy area. Much has been written about the new morality among youth. Many of the modern beliefs and standards being embraced by our young people

are widely denounced. Indeed, we have been told that our youth are so alienated from adult society that the two groups are unable to communicate effectively.

The supposed estrangement between youth and adults is labeled the "generation gap." True, today's youth face a world that has changed far more between generations than at any other time in history. The results of this change have been felt in the home, community and nation.

Increasingly, young people are finding within their

Sierra Madreans: Meet Officer George P. Scales

OFFICER GEORGE PAUL SCALES
... Concerned About the Young People of Today

by NANCY BRYAN

Dark haired, Officer George Paul Scales has been with the Sierra Madre Police Department since August 25 of this year. For about nine months prior to that he was a Reserve Police Officer with the Azusa Police Department while he continued to hold his full time job as a switchman with the Southern Pacific Railroad. Both his older brother and his father were employed as switchmen too.

Two years ago, the brother went into law enforcement work as a deputy with the County Sheriff's Department. The senior Scales, still loyal to the railroad, but none-the-less encouraging his two lawmen sons, has a total of some 30 years plus as a switchman.

While not technically a native Californian, Officer Scales could certainly be considered such. He was born in Missouri, but at the age of two months he moved to the "Golden State" with his parents, sister and brother. (He actually has a

younger sister also, but she was born later in California.)

A bachelor, with very little little time for the hunting, fishing, waterskiing or motorcycling he enjoys, Officer Scales' free hours are taken up with studying. Just like practically all police officers, George is studying "Police Science" and is currently enrolled at Rio Hondo Junior College. He's a graduate of Azusa High and spent a short time in the Army at Fort Bliss, Texas.

As far as the fishing is concerned, George prefers the freshwater kind the most because you get out of the city and "away from it all."

Costume, Window Winners

The 1968 Halloween Window Painting Contest was a large success. The annual event which is co-sponsored by the Sierra Madre Parks and Recreation Department and the Sierra Madre Chamber of Commerce had a total of some 165 youths participating. Some 58 merchants donated 65 windows to be painted.

Judges for the event consisted of Mrs. Aldon Milzian, Mrs. Helen Turner, Bernard Wynne and Igor de Kasky.

The first place winner went to the team of M. J. de la Torre, Lita Duran, Carolyn Cabral and Meg Duran. The winning window was a cat playing a guitar standing on a pumpkin and was at Sierra Madre Plumbing.

Second place was at the Bank of America. The painters were the team of Maryann Volmert, Mary Santa and Mary McGuire. Third place was a tie between Richard Keppler who painted the Red Poppy and Karen Meehan and Julianne Meehan who painted the middle window at Brown's Furniture.

Honorable mentions were as follows: Ralph's Shoes, Ronnie Osti, Keith Haynes, and Russ Vocolka; Claridon Delicatessen, Shelly Johnson and Cari Quistbery; La Lone Cleaners, Meg Edwards; Cunningham Stationery.

J. B. Thorpe Gets Promotion

JERROLD B. THORPE

The election of Jerrold B. Thorpe as vice president of the TI Corporation (of California) has been announced by Ernest J. Loebecke, president. The TI Corporation (of California), of which Thorpe is currently Corporate Personnel Director, is the parent company of Title Insurance and Trust Company, Pioneer National Title Insurance Company, of which he is vice president, and the Title Guarantee Company of New York.

A speaker and lecturer much in demand, Mr. Thorpe has also served on the faculty of the Merchants and Manufacturers Association of Los Angeles. Among his many affiliations, Mr. Thorpe also serves on the Labor Relations Committee of the California State Chamber of Commerce.

Thorpe resides at 185 So. Canon Ave. with his wife, Dorothy and two young daughters, Sandra, 6 and Heidi, 4. A golf enthusiast, he and his wife manage to fit in a game now and then, even if Thorpe doesn't have too much spare time.

Residents of this community a little over two years, the Thorpe family finds the area charming and the people delightful.

New Tax Rate Over \$10.00

Most Sierra Madreans were shocked this past week when they received their annual message from Tax Collector Harold J. Ostly.

The new tax rate for Sierra Madre is \$10.2147 per \$100 assessed valuation. This is the first time in the history of Sierra Madre that the tax rate has exceeded the \$10 figure, and will be a general increase over the city of 12% over last year.

This is not the year of reassessments for Sierra Madre, outside of those who did improve their properties during the year, or new buildings. The increase in taxes comes from the fact that the 1968-69 rate was \$9.7220 per \$100 valuation to the \$10.2147, or about 49c per \$100 valuation.

The County of Los Angeles accounted for 23c of the increase, The School System for 21c of the increase and the Junior College 10c increase, while the Flood Control went down 1c, Sanitation District down 1c and the Water Agencies down 1c. The odd percentages make up the other 1c reduction.

The 12% increase fairly well "shoots" the return offered in Proposition 1-A.

Hospital Auxiliary Rummage Sale November 15

Mark your calendars! The Sierra Madre Community Hospital Auxiliary will hold their annual "Come Rummage With Us" on Friday, November 15, at 33 E. Sierra Madre Boulevard, from 9 o'clock in the morning until 9 o'clock in the evening.

Mrs. Russell Delahooke, auxiliary president, says this is the principal fund raising event of the year. Mrs. Warren Brown, chairman, and her committee, have been working very hard all year collecting, sorting and pricing a tremendous amount of rummage. You can be assured of finding new and used clothing for all members of the family, things for your home, books, toys and other items too numerous to mention. Everyone is invited to attend and have doughnuts and coffee while browsing.

The Junior auxiliary — the Candy Strippers — will be on hand with their sale of baked goods and other goodies.

Proceeds from both sales will go to the groups' respective current projects for the hospital.

It really does my heart good to see the way our City of Sierra Madre is operating these days. It has been many a moon since the Council could go into a full session, with a full agenda, complete it all and have the meeting over in two hours.

—CT—

It has only been a short few months ago that Ralph Rule was fighting the Quo Warranto, out of which came many enemies both for Ralph and his supporters. Today Ralph has proven beyond a shadow of a doubt that he is one of the best mayors that has ever sat in that seat for the City of Sierra Madre.

—CT—

All of us will have to admit that friendship with the City proper and the so-called Canyon Area left much to be desired, but no so today. There is a great tendency to see the joining of hands, and truthfully much more is accomplished for all concerned.

—CT—

All of us have known for a long time that the people in the "Canyon Area" are workers, and all they want is to be recognized and their causes remedied. Ralph Rule has done a tremendous job in this field. He has met with the people and he has come to learn of their problems and needs and through their hard work and his leadership, much is to be accomplished in the months ahead.

—CT—

Our congratulations go both to the hard working people of the Canyon Area and to Mayor Ralph Rule for his insistence that they be recognized and their problems given attention.

—CT—

Of course as far as the rest of our community goes, we are on the path back up from the dungeons. Our spirits and our fortitude have reached the lowest of ebbs. We cannot blame anyone for this condition which we allowed ourselves to slump into over the past couple of years.

—CT—

There certainly was a political controversy but many on each side have come to realize that others were also right, and a joining of ideas and thinking has bridged a lot of gaps that were prevalent before.

—CT—

We repeat again, we are happy of the direction that we are now going. Another three months and you will see far more changes and they will all be for the betterment of all the people of the community, and this, of course, will lead to better feeling among all and better business and accomplishments as we travel the path of life.

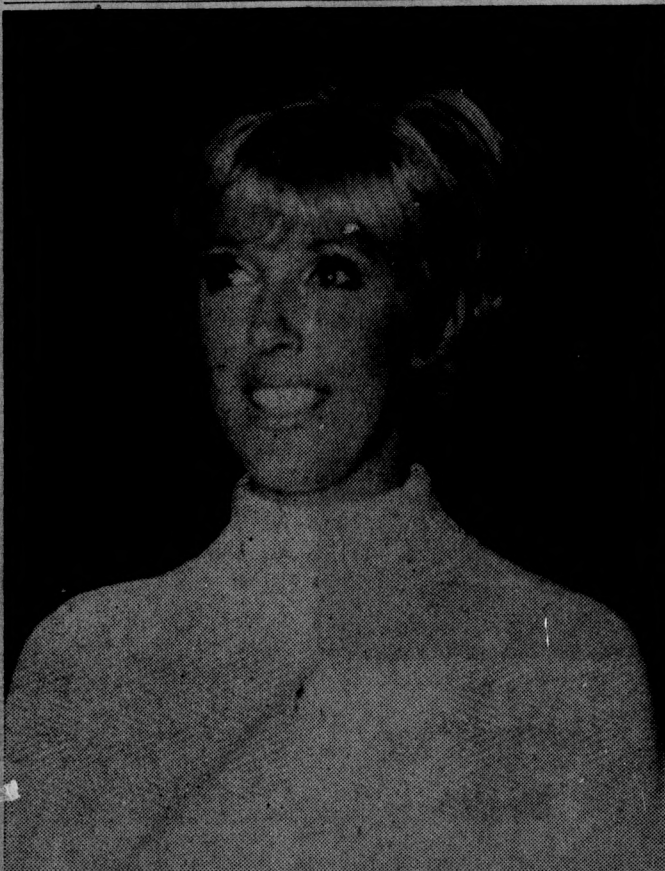

—CT—

I was reading the proof in this week's paper about Officer Gibson of our local Police Department, and that he was a Brown Belt Karate expert. It reminds me of the story about the karate student who knew his stuff so well that he killed himself saluting! Do hope Officer Gibson doesn't do a thing like that.

—CT—

Say, did you hear about the local teenager who

'Army Recruiting Announces 'Ladies Day'

The Pasadena office of the U.S. Army Recruiting Command has announced Wednesday as Ladies Day for the young women interested in obtaining information about opportunities available in the Women's Army Corps and Army Nurse Corps.

Sergeant Paul Fairbanks of the U.S. Army Recruiting Office located at 129 N. Marengo Ave., Pasadena, says that due to the great volume of young women interested in and desiring information about the Women's Army Corps and Army Nurse Corps, it has become necessary to set aside one day a week of counseling and providing this information to young women.

Sergeant Fairbanks said that in addition to the many opportunities available to women in the Army today, such as choice of occupational training and worldwide travel, the standards for women desiring of enlisting have become very high. He indicated that many of the women who enlisted in the Army in years gone by dating back to World War II, would no longer be acceptable under current standards. He indicated that today's young women receive an image in the Army from their parents who remember what it was like 20 years ago, but, today's modern Army woman is attired in the latest styles as far as the uniform is concerned and her occupation and environment is comparable with any counterpart in private industry.

James - Quarnstrom Rites Solemnized October 6

MR. and MRS. ROBERT THEODORE QUARNSTROM
... Nee Susan Frances James

The Sierra Madre Congregational Church with the Reverend Richard Anderson officiating at an altar set with large baskets of white gladioli, white snapdragons and yellow chrysanthemums, was the scene of the marriage of Miss Susan Frances James, daughter of Mr. and Mrs. Richard James of 270 W. Highland, to Mr. Theodore Quarnstrom, son of Mr. and Mrs. Elmer T. Quarnstrom of 169 N. Baldwin. The ceremony, attended by some 250 guests was on Sunday, October 6 at 2:30 p.m.

The bride wore a lovely floor length A-line style gown of white satin overlaid with chantilly lace. Her headpiece was of lace petals beaded with crystals and pearls, identical to those on the yoke of the wedding gown. She carried a cascade of roses and chrysanthemums centered with a white orchid.

Miss Teri Colbert served as maid of honor wearing a light blue gown of peau de sole and carried a nosegay of yellow roses. Bridesmaids were Miss Sandy James, sister of the bride and Miss Lisa Quarnstrom, sister of the bridegroom. They also wore gowns of light blue peau de sole and carried nosegays made of one dozen yellow roses.

John Quarnstrom was best man for his brother's wedding and Dan James, the bride's brother and Paul Couture, a long time friend of the bridegroom were ushers.

The bridegroom's younger brother and sister, Eric and Laurie Quarnstrom acted as ring bearer and flower girl. The bride's mother, Mrs. James wore a lovely apricot lace dress with mint green accessories and a corsage of apricot carnations and green net. Mrs. Quarnstrom, mother of the bridegroom, chose a dress of beige lace with green accessories and wore a corsage of green cymbidium orchids.

Soloist was Ken Teasley, who sang the "Hawaiian Wedding Song," and the organist was Jean Patterson. Helping at the reception, which was held at the VFW Hall on Montecito immediately following the ceremony were: Marsha Wilson, Maureen Kennedy, Patti Kennedy, Nancy McGuire, Di-are Schmitt and Conine Hunt. Theresa Kennedy was in charge of all the arrangements. The bottom of the beautiful 5 tiered wedding cake was made up of four heart shaped cakes. In addition to the cake, champagne, nuts and mints were served to the guests.

Among the many out-of-town guests to attend the wedding were: Mr. and Mrs. Jess Tollman of Fort Madison, Iowa, maternal grandparents of the bride; Mrs. Olivia Quarnstrom of Maywood, paternal grandmother of the bridegroom; Mr. and Mrs. Carl Westenberg of Mesa, Arizona; Mrs. Clifford Cornell, of San Diego, great aunt of the bride; Mrs. Robert Power of Maywood, the bridegroom's aunt; Mrs. Louise Brandes of Lynwood, the bridegroom's aunt, and Dr. and Mrs. Earl Manning and Mary Catherine of Los Alamitos. The bride's paternal grandmother, Mrs. Olive Wilson of Sierra Madre was also a special guest.

Both the James family and the Quarnstrom family are long time Sierra Madre residents and the former Miss James and her husband both attended Sierra Madre schools, Marshall Junior High, Pasadena High and PCC. The bride is a graduate of Al Tate's Beauty College and is presently awaiting the results of her State Board Exams. The bridegroom is currently employed at Roberts Market.

The newlyweds are now at home at 147 Mariposa after a honeymoon trip that included Big Bear, Lone Pine, Lucerne Valley and a few days camping out at Big Pine, where it cooled down to 24 degrees.

Peace Corps Volunteers sometimes have very special jobs. One is a museum curator in Nairobi, Kenya; another is director of Bolivia's National Symphony; still others are beekeepers, meteorologists and radio broadcasters. In all, Volunteers now serve in 95 skill specialties in 59 nations, according to Peace Corps Director Jack Vaughn.

Nearly 40 per cent of all Peace Corps Volunteers return to college after their overseas tours.

Now after months and months of politician' and feelings, slander, and mass hysteria, the die has been cast for the next four years and we must live with the decisions of the majority. Fortunately, I am writing this before the returns are in, so I can't crow over my party's victory or be a bad sport about its loss. All I can do now, for the next four years is to support our government. Whether we like it or not, sitting on our haunches and griping is not going to make things any better.

We can just thank God that we have the opportunity of free choice again in the next election, and we also have the privilege of communicating with our representatives to let them know our feelings. Only by hearing from us, the voters, can they best represent our causes.

Let us turn now to honor those that have fought and died for this right to choose our government on the field of battle. It is sometimes difficult to believe that we deserve the sacrifice they have made in our behalf when you read the pros and cons of the battle these boys are fighting now. Perhaps we can dispense with the "hawk" and "dove" labels and get down to the business of settling our involvement on a sound basis as quickly as possible so that our boys can once more get to the business of living, not dying for their country.

Halloween came a little early at the Abbot Waldron home. Mrs. Waldron was hostess for a pot luck dinner party last week for the faculty and their escorts of the Ramona Elementary School.

It turned out to be a very gay party with lots of nonsensical games to liven up the evening. They were all good sports and took part with a great deal of enthusiasm. Their rewards were as much fun as the games they competed in to win them.

Included in the party were the principal and his wife, Mr. and Mrs. Donald DeSantis, Mr. and Mrs. Charles Robb, Mr. and Mrs. Jim Bayles, Mr. and Mrs. Richard Allen, Mrs. Judy Johnson, Mr. and Mrs. Dick Wright, Miss Virginia Johnson and her escort, Mr. and Mrs. Don Wood, Miss Ann Pratt, Mr. and Mrs. Bill

Sewalls Announce Engagement Of MaryAnn Sewall

Mr. and Mrs. Basilford Perry Sewall have announced the engagement of their daughter, Mary Ann to John Talmage Morash, son of Mr. and Mrs. Talmage Morash of Sierra Madre. Mary and John have grown up in Sierra Madre.

Mary attended Ascension Parish Day School and both are graduates of Pasadena High School. Mary is in her junior year at California State Polytechnic College, Pomona, having attended La Verne College for her first two years. John attended Pasadena City College and is now a senior at California State College, Los Angeles.

They will continue their education after a Christmas wedding at the Church of the Ascension. Mary will work towards her Library Science degree and John is completing his teaching degree in Art. He is well known for his ceramics and jewelry, having exhibited locally and in Pasadena.

Almost 50 per cent of all Peace Corps Volunteers in 1968 received all or part of their training in the countries to which they were assigned, says agency director Jack Vaughn.

Servicemen Wives Club Starts Up

There is now a Servicemen's Wives Club in the Foothill Area. They will work on their own, but through the Red Cross. The club is generally expected to meet the first and third Thursday of each month with one of the meetings being held at the Red Cross Chapter House at 129 S. Primrose in Monrovia and the second meeting of the month being held at one of the club member's home.

Mainly concerned with projects to help others, like collecting books, magazines and reading material for servicemen, the group is presently collecting children's clothing for the Vietnam orphans.

All service wives are invited to attend the meetings. Transportation to meetings can be arranged if any are in need of it. Anyone wishing to obtain more information concerning the club may do so by calling the club president, Mrs. Jerry Sunkle, at 359-1740.

The next meeting is scheduled for November 7.

More than 1500 Peace Corps Volunteers are serving in programs to increase food production, according to Director Jack Vaughn.

'Heritage Day' To Be Celebrated By Shakspeares

The Shakespeare Club of Pasadena will celebrate its annual "American Heritage Day" on Tuesday, November 12. M.S. Harold D. Wiener, president of the Shakespeare Club, will preside at the business meeting which will be held at 1:45 p.m. in Shakespeare auditorium. The meeting will be followed by a concert program of American folk music to be presented by Mr. Clarence Treat, singing and playing the guitar, mandolin, bass and banjo.

Mr. Treat will be introduced by Mrs. Wesley Witter, chairman of the day. Mr. Treat is a former member of the New Christy Minstrels and is currently a star performer with the American Folk Ballet and sings with the Roger Wagner Chorale. He recently completed a month long engagement in Las Vegas with the Ballet America.

The afternoon program will be followed by a tea in Stratford House under the direction of Mrs. Oscar Kulberg.

The speaker at the regular Tuesday luncheon program, to be held at 12 noon in Stratford House, will be Mr. S. A. Adair, of the law firm of Burr, Smith, and Adair. Mr. Adair is the former Deputy Public Defender for the County of Los Angeles and is also the former chairman of the Los Angeles Freedom Club. The subject of Mr. Adair's address will be, "America's Three Great Documents of Freedom."

The Philanthropy Department of the Shakespeare Club of Pasadena will hold its monthly work meeting on Thursday, November 14, at 10 a.m. in Stratford House. Mrs. Idelle Sundquist, welfare chairman, will be in charge. The regular monthly business meeting will follow the work meeting and will be presided over by Mrs. Anderson Ong, director of the Philanthropy Department.

A total of 24 nations, following the lead of the United States Peace Corps, now send volunteers abroad.

Fashion Show By Kappa Deltas

"Harvest To Holiday Fashions" is the theme of the luncheon and fashion show that Pasadena area Kappa Delta's will be attending at the Brookside Club House on Tuesday, November 12, at 11:30 a.m. for social hour and 12:30 p.m. for luncheon.

An added attraction will be a Christmas Boutique with wrappings, small gift items and stocking stuffers. Proceeds will go to Kappa Delta philanthropies, Kappa Delta Student Loan Fund and Crippled Childrens Hospital. Luncheon chairman is Mrs. Frank Abbott of San Marino. Mrs. William Bassett of San Marino is in charge of reservations. For ticket information call 796-4619 or 799-7846.

Civic Club

Mrs. Homer Eaton and Mrs. Arville Wade. Money raised supports club philanthropies. Civic Club, a member of the Federation of Women's Clubs, has as its continuing projects Youth Employment Service and Toy Loan and each spring donates funds raised to various community needs with special emphasis on youth welfare. Tickets for "Fun in Fashion" are \$1.75 each and may be obtained from any club member or from Mrs. Wade, 355-2801. Mrs. Ashleigh Buchanan, club president, invites all to attend the fun for funds affair.

peer group the love, security, and values that were once derived from the family group. But we must be careful that the newer values they acquire do not dispel the shared beliefs vital to our nation. This requires that we listen to what our youth are saying, learn why they are disenchanted with society, and provide a renewed moral leadership. We cannot close the generation gap, but we can build a bridge to better understanding between generations. To do this, we must involve our youth in meeting current social, moral,

and civic problems. Our youth are creative, informed citizens and can provide unlimited energy in seeking these solutions. Let this be a time for listening to the voices of youth. Provide an opportunity for a dialogue which allows youth to speak and act, not just listen. Allow youth to participate in decisions so that they can gain in understanding the complexities of our world. The present gap that exists between generations can be spanned. Together, youth and adults can reach the potential for a better tomorrow.

We join with the local Optimist club this week in saluting our young people during their Youth Appreciation Week observance.

residents of our area. After a couple of days of catching up on old times they headed for the Oregon coast, inland to Cottage Grove near Eugene.

They advised that if you are ever in that area they would give the Rogers' seal of approval to the Village Green Motel; said it was excellent from every standpoint. Their next stop was Seattle where they had more friends to visit. Then on to Vancouver, B.C., where they took the ferry to Vancouver Island. Then on south to Victoria where they visited that charming old Empress Hotel. They both said it was like stepping back into another generation as they have retained the luxury of the old world with all of the appointments.

After leaving Victoria they went to Sidney and ferried through the San Juan Islands that boast of islands within islands. If you have never been this route you have a thrill in natural beauty in store for yourself. The pine trees come right down to the water's edge and it's completely unspoiled by modernization.

Their ferry trip left them in Washington so they doubled back to return by way of Seattle where they dined in the Space Needle.

They couldn't be that close to Tumwater without visiting the home of Olympia beer and taking a tour thru the factory. From their description it is just a little different than the way we used to make it in our cellar.

Their travels took them on to Portland, and back to Cottage Grove, and then to Crater Lake and to Yuba City where they had another cousin and were to witness one of the most interesting sights of their trip which was the new high arch dam, which is an entirely new concept in dams. They met the chief engineer on the project and he took them thru the entire operation explaining as he went along. It is to be 640 feet in height upon completion.

And so they went on to Jackson, and then to Paradise where they stayed with Bob and Betty Henker, former home owners in the Glen. The Henkers moved up to Paradise and carved a new life for themselves. They are now proprietors of an over-night trailer motel.

When a child goes off to school for the first time you always hope that he or she will have just the right teacher to launch them into a happy academic career. Jo Snetsinger was just this kind of a teacher. It would be impossible to say just how many little ones she had under her wings during the years that she taught in our area. In Sierra Madre, and some of the surrounding communities, but it was a job she did with a great deal of inspiration and even more love for each and every child.

Her career was brought to an end last Tuesday evening with an illness that claimed her life, but her children from all over the valley will remember her well as will her many friends.

John W. Golden Succumbs At 74

A resident of Sierra Madre for the past 19 years, Mr. John William Golden passed away at his home at 39 N. Lima St., on October 31. Retired at the time of his death, he had been a self-employed gardener.

Survivors include: a wife, Elsie Dee Golden of the Sierra Madre address; a son, John W. Golden, Jr., also of Sierra Madre; a daughter, Mrs. Doris G. Reighard of Canoga Park; and two grandchildren. Also two brothers and three sisters all of Missouri.

Final funeral rites for the 74 year old Golden will be held in his home state Missouri at Plattsburg. Interment is to be at Green Lawn Cemetery in Plattsburg, Missouri.

Cadette Girl Scouts To Camp

Twelve hundred Cadette Girl Scouts from the Sierra Madres Girl Scout Council will attend "A Cadette Week-End" at Soledad Sands Park near Acton November 9 through Monday, November 11. Theme of the camping event will be "Let's Get Acquainted." To make this possible the troops will be distributed into ten units with 100 to 140 girls, about 6 troops. These troops have been selected from different areas in the Council so the campers will meet many new friends.

Each unit will set up its own campsite, make identification flags and prepare a Scout's Own, which is a ceremony expressing the spirit of Girl Scouting. The patrol system and court of honor will be the form of self government used to carry out plans in each unit.

A highlight of the week-end for each troop will be the special buffet dinner, scheduled for Sunday evening. Each unit will prepare a main dish and act as hostess. This event, as well as a campfire program and discussion groups have been planned by the girls themselves.

Each participating troop will be accompanied by its troop leaders. Among the participants in this active weekend is Troop 548 from Sierra Madre, leaders Marilyn Peppin and Anita Lewis.

Letters To The Editor...

Dear Editor:

The Sierra Madre Chapter of the Needlework Guild of America wishes to thank you and our many friends for the most successful ingathering in our history.

The contributions of monies and clothing are distributed throughout the San Gabriel Valley to needy youngsters and families. Due to the excellent coverage by your paper and the efforts of many local citizens, the coffee held at the Jameson Estate was rewarding.

Firefighters Fund

course times have changed, to many it is no longer the main gift; times have changed to the point where it is the start of the Christmas activities.

So, please remember this when you go to the drawer and still see your green envelope, that you have neglected to mail in. Just because you are a "great big landowner" and received more than one envelope, do not feel that the pressure is being placed upon you. Your firefighters will be tickled "pink" if only a dollar or two is your limit.

If you did receive more than one set of tickets... the firefighters used the water meter list of the city, and if you own more than one home and pay more than one water bill, then you received more than one envelope; it was not intentional that the firefighters were expecting more from you than anyone else.

In this drive for funds, the firefighters do want to remember the "rip roaring" dance that will be held at the La Salle High School on Saturday evening, November 30, they do want each of you to attend this dance and have a complete evening of fun. The Los Angeles City Fire Department Band will be on hand for the music and they were the group that gave us such a gay time last year. So you have two things to remember, attend the dance and send in your "green envelope" as soon as possible.

The car that financed a man

It all started when the man financed the car. Back in 1937.

He had heard he'd be happy with our auto financing. So that's what he asked his dealer for.

He got it. He was happy.

A few years later, the man wanted to remodel his house. He talked to our people. They helped him plan a home improvement loan to fit his budget. And they gave him the lowest possible loan rate. After all, they knew him.

Because of the car.

About 1947, the man decided to go into business for himself. The sporting goods business. It cost a lot of money to stock a store. Money he didn't have.

Another bank might not have risked the loan he needed. We did. Another bank might have made the interest pretty high. We didn't.

He wasn't a stranger to us.

Because of the car and the home.

The man's got five stores now. They're profitable. He's in Europe — enjoying life.

The trust specialists at Security Pacific Bank manage his business and his investments.

The point is, he doesn't worry. He knows Security Pacific Bank knows him, his family and his financial situation.

Because of the car, the home, the store and the many banking transactions they've made together.

So, the next time you buy a car, ask your dealer about Security Pacific Bank's auto financing. Look at it this way.

Isn't it about time a car did something for you?

Brownies Visit Post Office

Brownie Troop No. 550 visited the Sierra Madre Post Office on Tuesday, October 29. Postmaster, Mr. Guy Rossi took the troop on a tour of the building and showed the girls the various processes, explaining how letters were post-marked, cancelled and filed for cities by zip code.

Brownies attending were Cindy Babbitt, Laura Cutter, Debbie Day, Cynthia Dykes, Sarah Embree, Cindy Furst, Susan Locatelli, Stacy Morse, Susan Oxley, Barbara Rambow and Cathy Steeves.

Mothers attending were Mrs. Dorothy Steves, Troop Leader, Mrs. Dorothy Dykes, Assistant Troop Leader and Mrs. Martha Furst. The girls found the Postoffice visit very interesting and enlightening and enjoyed it very much.

Security First To Open New Branch

Security Pacific National Bank's second Covina branch will be opened for business Friday, Nov. 8.

The Grand and Badillo branch at 119 N. Grand Ave. will offer extensive banking services, reported Manager J. Burton Kintsel. Among its facilities will be an escrow department, safe deposit accommodations and night depository.

Banking hours will be from 10 a.m. to 3 p.m. daily, except Friday, when the branch will be open until 6 p.m.

The Grand and Badillo Branch address for banking by mail will be Post Office Box 1287, Covina 91722. Its phone number will be 967-1481.

The \$120,000 branch building has been designed by architect Robert Clements and built by contractor Ernest Hahn.

numbers. Ivar Ower played a saxophone solo and a skit by Mr. Moyer and Mrs. Weeks of life in 1868. They sang, "Day by Day," and Mr. Moyer did a solo of whistling.

The club expressed its enjoying at the diversified program that was presented to them and then broke for three tables of bridge, to complete the afternoon.

Recreation Center In Vista Park Planned

The main game and recreation area will be carpeted and feature a raised hearth and fireplace and include an area for two pool tables. The area and lounge will also be served by the concessions room and can be used by a number of age groups, and should be highly popular with teenagers in the community.

A multipurpose activity room (46 feet by 42 feet) will be provided for such activities as dances, special classes in ballet or "slim and trim" and special exhibits. The multipurpose room will have a built-in platform or stage area where a children's theater or small groups may meet and will accommodate up to 120 seated spectators. The multipurpose room will be dividable from the remainder of the building and will have separate access to the patio area.

You and Your Neighbor

by ELSA GRIJALVA

In September, Dr. and Mrs. E. R. Benedetto of Alliance, Ohio, came out to visit their daughter and son-in-law and family, Homer and Nina Eaton of Ross Place. (Being grandparents, they were probably interested in visiting with the Eaton children, three year old, Jennifer and baby, Darcy Gale who was born last June!) While here, Mrs. Benedetto drove up to Camel and Monterey. The girls didn't get to go with the grown-ups this trip and stayed with friends. Upon return to Sierra Madre, it was time for the Dr. and his wife to leave for Las Vegas to attend a medical confer-

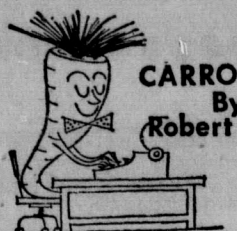

tion. This was their first trip to Las Vegas and although the convention only lasted a few days, the Benedetto's managed to fit a pretty full schedule into those few days. They really love the town of bright lights and "Lost Wages" and thoroughly enjoyed their visit.

A quick trip to the little town of Jerome, Arizona was made last weekend by Charles and Mary Ellen Wallace, their brand new small son, James, and Mary Ellen's mother, Marion Jent from Detroit, Michigan. The Wallaces have a rental home there that they thought they better check on, so they combined a little business with a little pleasure. For Mrs. Jent, it was a first time trip to Arizona. She should certainly enjoy it.

Nice to hear that two of the community's favorites, Mr. Don Stewart and Sgt. Bob Heasley, are on the mend and feeling much, much better.

CARROT TOP By Robert Evans

Charles and Mary Ellen Wallace welcomed their first born, a boy, on September 9 at the Huntington Hospital in Pasadena. His proud parents named him James Thompson Wallace. His birth weight? A nice, big, healthy 7 pounds 8 1/2 ounces. Little Jim's maternal grandmother, Mrs. Marion Jent came out from Detroit, Michigan, as soon as he was born to help his mother. Nice, huh? Just can't thank providence enough for Grandmothers!

I was talking to a local resident who constantly commutes to Santa Monica. I was remarking about all the leisure time that he had and his reply to me was: "Leisure time is no longer a problem. Thanks to modern methods of transportation, you use it all up getting to and from work." ... Well, the new transit trains should solve this problem. That is, if you voted them in the past Tuesday.

This happened in a Sierra Madre home the other day: A small boy had taken his mother's powder puff and was in the act of powdering. ... His small sister, aged five, snatched it away from him, making the following remark:

"You mustn't do that," she exclaimed, "only ladies use powder. ... gentlemen wash themselves." ... So you see you learn something new every day of the week.

Do you realize that we are now down to only 39 more shopping days until Christmas and if you want to catch the "1968 Santa Claus ship for Christmas" that you must make your mailing to the boys in the Pacific by November 9, and that only leaves a couple of days. Better hurry, and I do mean hurry, hurry.

Nearly all merchants in Sierra Madre are offering the Christmas Lay-away plan, so why not start your own Christmas shopping now and take it easy during the holidays.

Well, the election is all over and we can now settle down to criticize those who were fortunate enough to be elected. At this writing, I have no knowledge of who will be elected, but whoever it is, he is certainly welcome to the job, and if I ever run for President of the United States I do hope that you will not vote for me, as I would certainly make a lousy President. Anyway, happy sailing for the next four years to all Republicans and Democrats, I hope, I hope, I hope.

FREEDOM

eight years.

It is time for a change in U.S. foreign relations. The change should involve frank recognition of the nation's real friends and good treatment of them in future. In the case of Rhodesia and the Republic of South Africa, opportunities exist for mutual defense moves against expansion of Soviet and Chinese communism in Africa. Opportunities also exist for new commercial ties between the United States and Southern Africa, a region that has tremendous economic potential and that should be closely linked to the free world, free enterprise systems.

After January 20, when a new administration takes office, the United States should act again as it is proper for a great Republic to act, with dignity and with a regard for other nations that represent civilized values.

John Pettay

Fifty-seven year old John "Pat" Pettay of 180 E. Sierra Madre Blvd., passed away suddenly at his home on October 28. Originally from Pennsylvania, Mr. Pettay was employed as a bartender at the Buccaneer. He had been a resident of this community for the last seven years.

He leaves to mourn his passing: a wife, Mary J. Pettay of the Sierra Madre address; a daughter, Mrs. William Houk of Massillon, Ohio; two sons, John Alton Pettay, with the S. Navy and Timothy Lee Pettay of Sierra Madre; two stepsons, William L. Hable of Sierra Madre and Chester R. Hable

of Pasadena; a step-daughter, Mrs. James Stull of Columbus, Ohio; and seven grandchildren.

Private funeral services were held Thursday, October 31 at 11 a.m. at Ripple's Mortuary with the Rev. Richard J. Anderson officiating. Committal, also private, was at the Pasadena Mausoleum.

Cobwebs

five hundred, Mrs. L. Dietz and Mrs. William J. Lawless; at Finch, Mrs. Coapman and Mr. Coapman. The prizes were very handsome framed pictures, copies of celebrated paintings.

That Extra "Something"...

In the concert world an extra "something" singles out the Rubinstein and the Van Cliburns from among many distinguished musicians... and marks them for artistic immortality. Talent and years of practice... of course. But something more. Perhaps it's that indefinable quality of performance that makes each in the audience feel the music is for him alone.

It's that same extra "something" that keeps Pasadena Federal's depositors with them year after year. Partly, of course, a talent for conservative investing, years of financial practice, consistently high rates (none higher in the United States*). But more than that, it's the personal, extra indefinable "something" making each depositor feel, and rightly so, that the Pasadena Federal concert is for him alone. Come in... you'll find we're playing your song.

'Horoscope Nov. 5 Fashion' In. 5 At Alverno

The stars of "Horoscope Fashions" will be 24 students from Alverno Heights Academy. Miss Sharon O'Brien, educational stylist with a pattern company will commentate the teen-age fashions predictions on November 5.

"Gemini Suggests Jumpers" for back to school in classic gray with red and white accents. The trend for trims is favorable... multi rows of rick rack, accents of contrast braid and buckles in pairs.

All fabrics from cotton to leather influence young styling as "Sagittarius Shoot for Separates." Tailored elements and feminine traits star in a group of shirts 'n skirts.

Now is the time to balance the wardrobe as "Libra Leans to Leisure." A London mini dress, pantskirts work together combining bright navy and gold for action clothes.

The sign of the season is "Scorpio." Red is highlights in plaids, prints and solids. Puffed sleeves and quaint ruffles of yesterday keep up with contemporary, tailored looks.

Financial matters always look promising when wardrobes are planned with care. "Capricorn Forecasts Classics"... gray and pimento, for coats and ensembles that complement each other. Silhouettes indicate that fit and flare continues to be a strong influence.

Romance is favored as "Virgo Stars for Evening." An entire galaxy of lengths... mini, midi and maxi share the spotlight. Fabric surfaces of silver and moire shine against plush green and black velvet.

The stars reveal all elements are favorable for the teen who sews to become a strong fashion influence.

Christmas Album For \$1

A special album of Christmas music performed by leading recording artists may be obtained at local Bank of America branches. Specially recorded for the bank by RCA, the stereo record is valued at \$4.95, but is being sold at the bank for \$1. It will be available beginning on November 5.

Entitled "Christmas in California," the record can be played on monaural equipment as well as on a stereo player.

The album features such name stars as Vic Damone, Al Hirt, Ed Ames, Henry Mancini, the Robert Shaw Chorale, Harry Belafonte and Leontyne Price.

Songs range from such traditional carols as "O Little Town of Bethlehem" to "Here Comes Santa Claus."

The records will be available on a first-come, first-served basis.

Begonia Society Monthly Meeting

The San Gabriel Valley Begonia Society will hold their regular monthly meeting Friday, November 8, at 7:45 p.m. at the Arboretum in Arcadia.

Mrs. Earl Budd of Los Angeles, will give a talk on "Hybridizing of Begonias." Mrs. Budd is an authority on this subject and has the plants to show for her work. Guests are invited to attend.

Crib Crop

Mr. and Mrs. Douglas (Roberta) Sterling's first born is a girl. The 6 pound 5 ounce lass, named Melinda Lynn, arrived on October 20 at the Methodist Hospital. Her maternal grandparents are Mr. and Mrs. Robert J. Hebble of Whittier. Her paternal grandmother is Mrs. Jane P. Sterling of Pasadena. Congratulations to all.

Champion bowlers, as well as bakers, is the award-winning team from the Wistaria Bakery. The team, which bowls at the Monrovia Bowling Center, won six of nine trophies in 1959. Members are Betty, Norman and Mary Sample and John and Jean Kirkpatrick.

The first annual Halloween Dance, sponsored by the Sierra Madre Recreation Department, will be held at Pritchard Hall, the Congregational Church, on October 31 from 8 o'clock to midnight. Teenagers from the 9th through 12th grades are invited. Door prizes will be donated by Sierra Madre merchants and music will be provided by the Ambassadors of Swing. Couples will be admitted for 75 cents; individuals, 50 cents.

Miss Betty Newton, principal of Sierra Mesa School, was honored at a birthday dinner in the home of Mrs. Hortense Wells. Guests included her mother, Mrs. Ernest A. Newton, Sierra Mesa School staff and other close friends. Highlight of the evening was the cutting of the birthday cake and opening many personal gifts.

Mrs. J. Milton Steinberger, former Sierra Madrean, now making her home in Phoenix, Ariz., arrived last Monday to visit friends. While in the Southland she will be the house guest of Miss Clara Sykes, 91 W. Highland.

This Saturday Highland Oaks School grounds will be transformed into such international scenes that children and parents can "Go Around the World in Half A Day." The attractions include fishing in Hawaii, big game and diamond hunting in Africa, and flying saucers from outer space. A large variety of foods will be available from hot dogs of the USA to tacos from Spain and sweets from Holland.

Mr. and Mrs. Victor C. Hill drove to their cabin at Chilco for the weekend.

The home of Mr. and Mrs. Rudolph Hartman was the scene of a jolly birthday dinner party Thursday night, celebrating the anniversaries of Rudolph Hartman and Dr. George Hartman. Sharing honors with them were Miss Elinor Hartman of Pasadena, Robert Hartman and Victor Hill, whose birthdays are on neighboring date. Other guests were Mr. and Mrs. F. H. Hartman, Mrs. George Hartman and Mrs. Victor Hill.

W. L. Porterfield of Long Beach was a guest of Mr. and Mrs. Abby de Avirett on Sunday.

Mr. and Mrs. Gabriel Hodge of Lomita spent Monday night at their cottage "Splash Inn."

Friends of Mrs. Marie Hammond of the Wistaria Hotel will regret to learn that she has found it necessary to go to the Glendale Sanitarium for rest and recuperation.

The girls composing the Sunday School Class of Mrs. Little Buie will hold a cooked food sale on Saturday beginning at 10 a.m. in the Hudson-Essex automobile display room. The proceeds of their sale will be devoted to furnishing their class room in the Congrega-

tional Church.

How the fame of Sierra Madre has been spread all over the world by the Wistaria vine on the Fennel place at Scenic Point is well illustrated by a letter addressed to the News by Henry V. Dolph from Nimes, in the south of France. Mr. Dolph says in part: "In looking over the Paris edition of the New York Times for October 7 we came across the following question in their column entitled 'How Do You Rate?' They ask: 'Where is there a wistaria vine covering three acres in area?' It gave us a thrill of satisfaction to be able to answer the question and again to find on an adjoining page the answer printed: 'In Sierra Madre, California!'"

Sixty Years Ago:
October 23, 1908

Dr. W. Jarvis Barlow of Sierra Madre was awarded a silver medal at the recent international tuberculosis congress at Washington for a model of his Los Angeles Tuberculosis sanatorium which he had on exhibit. His exhibit attracted a great deal of attention among the scientists and others gathered there.

Snow, the first of the season made its appearance on Mt. Wilson the latter part of last week. There was only a trace, but the thermometer dropped to 32 degrees and ice is reported to have formed in water basins in some of the cottages.

Distressing in the extreme was the accident which befell Mr. and Mrs. S. B. Norris, Tuesday, resulting in a broken arm for the former and a severe shaking up and several cuts about the head for the latter. In company with Mr. A. S. Mead they had gone to Garvanza in the latter's auto, and after spending the afternoon there they had started home.

The Sierra Madre hotel property has been leased by Mr. W. H. Kindig, formerly manager of La Casa Grande Hotel in Pasadena. Mr. Kindig will take immediate charge and the hotel will be open for business Tuesday next.

Mr. Victor Picotte, manager of the Citizens Protective Association of Los Angeles was in the City Wednesday. While here he discovered that M. C. Doucet was his fellow countryman, both having come from the same part of Nova Scotia, and a visit pleasant to both was the result.

Mrs. Frank Wright who had charge of the pie department of the "clean-up day" dinner finds herself in possession of a miscellaneous collection of pie plates belonging to various people who kindly contributed to the good cause. She is unable to identify them and the owners may get them by calling at Mr. Wright's home and picking out their property.

The monthly card party given under the auspices of the woman's club was held at the home of Rev. and Mrs. Charles E. Benthall last Friday evening and a most delightful time was passed. The rooms were fragrant with the odor of roses and delicious refreshments were served after the games were finished. About sixty guests were present. Those to win prizes were: At whist, Mrs. C. W. HAROLD PORTER, PASADENA CHRYSLER-PLYMOUTH'S FRIENDLY FLEET MANAGER

Harold and his wife, Myrtle, with sons David and James, moved to Sierra Madre from Kansas in 1949. In the last twenty years, the boys were going through Sierra Madre and Pasadena schools, and Harold was establishing his reputation as a fair and honest business man. He has been with the Chrysler Corporation here since 1950 and says there is no finer dealer in California than Pasadena Chrysler-Plymouth.

Harold will trade for anything you have on any new or used car you want. As Fleet Manager he can sell one or a hundred cars to individuals or companies. He likes especially to sell to members of discount houses as he can save them from \$50 to \$100 on any cars they want. He says, "Get your prices from the dealers and then let me show you my prices."

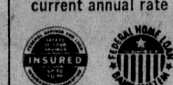

His objective is to have all Sierra Madreans driving Chryslers, Plymouths, Valiants, Barracudas or Imperials. Harold urges all you readers to "come on in and see our nice dealership and the great 1969 cars."

Officer Geo. Scales

The motorcycling hobby has remained undaunted even after a rather serious accident.

When asked, Officer Scales can't really say why he chose police work as his profession, other than he just knew this was the career he wanted. There are many reasons he likes the work. "You feel like you are really doing something necessary and essential that is useful and beneficial to all. You are really doing your 'bit.' He adds, "It's an interesting job, with a worthwhile reason, that offers security. It definitely has a challenge; it is not confining. I mean, you are never cooped up, and there is always plenty of action." Continuing, he states, "Because of this, you have to be alert, more observing and ready for anything. You are always learning something new — about the job and about people in general." He is unhappy tired of seeing so many of the young people get themselves all "loused up" without any thought of the future, much less tomorrow.

While on the Azusa Reserve Police unit his keen powers of observation netted him the arrest of a youth smoking marijuana. The youth, thinking to keep out of trouble was actually smoking two cigarettes — a regular cigarette and the Marijuana cigarette in the other. He would alternately puff on one while the hand holding the other cigarette was concealed under the table. That way, if questioned, he could produce the legal smoke and perhaps ditch the "stick" and convince anyone he was only smoking a legal cigarette.

George's handling of the arrest of this suspect actually led to a conviction — rather an unusual thing in these days of legal loopholes favoring the law breakers. Because of this conviction, Officer Scales was informed that he had become qualified to testify as an expert in identifying marijuana.

Welcome to Sierra Madre, Officer George Scales. We're most honored to meet you.

'Becoming More Than You Are' Is Sermon-Lesson

On November 10 at 11 a.m. Margaret M. Stevens, minister of the Santa Anita Church, 226 W. Colorado Blvd., in Arcadia, will speak on "Becoming More Than You Are." The public is cordially invited to attend and hear Mackey Swan, baritone, and Helen Natke, organist who add so much to the service. Infant and child care is provided during the service.

After a fifteen minute worship service in the sanctuary at 11 a.m. each Sunday, children go to their respective graded classes from pre-school through through ninth grade. The high school youths and young adults hold their meetings on the first and third Sundays at 7 p.m.

A class on "Successful Living" is held every Thursday at 11 a.m. led by Rev. Stevens after which on November 14 there will be a potluck luncheon and program. Dorothy Spencer is chairman. Anna Dozier will show pictures of her trip to Europe which promises to be most interesting. Women are invited to attend and take a friend to hear this talented speaker.

Aly Wassil will be the speaker on November 5, 12, 19 and 26 at 8 p.m. He is a profound spiritual personality and is the author of "The Wisdom of Christ" and "Song of the Savior." "Call 447-6162 and receive a blessing," is the urging of Rev. Stevens.

Peace Corps Volunteers are now serving in 59 nations.

Mrs. Anthony iously injured and was released from the hospital at Twenty Nine Palms on Saturday. Mrs. Anthony leaves to mourn her passing, her husband, Steven E. Anthony, her 20 months old son Tommy, her parents, Virgil and Geraldine Fisher of Pasadena, sisters, Mrs. Judy Basinger of Pasadena, Mrs. Ronald (Mickey) Hall, Sierra Madre, and a twin sister, Mrs. Teresa Lu Visi, Tacoma, Washington.

Memorial services will be held Wednesday afternoon, November 6, at 4 p.m., at the Congregational Church in Sierra Madre.

Search Team

motorist and taken to Park Headquarters Wednesday. The China Lake Search and Rescue Team was the first on the crash sight Thursday, and here they found tracks and a shirt that had been cast aside by the pilot.

Twelve members of the SMSR Team arrived Thursday morning, along with their tracking bloodhounds, Jinx and Revelation. Once the shirt had been brought out from the crash site, the dogs were lead back to the footprints that had been discovered on Thursday morning.

It was on this dog team of Jinx, Chuck Kassler and Lester Anthony that a Civil Air Patrol pilot decided to cue Friday, and as a result, the pilot spotted the victim. The pilot then notified base camp, and Miner Harkness and SMSR team physician flew to the scene immediately with the dog team just a half mile away. The victim had expired from exposure.

Rev. Armin Hesse Announces His Sunday Topic

Holy Communion will be celebrated in the 10:30 Sunday morning worship service of Faith Lutheran Church, 845 Hastings Ranch Drive, Pasadena. During the service the Rev. Armin Hesse will conclude his series of sermon messages on the Psalms. "The Lord's Permanent Guests," based upon Psalm 15, will be the address for the day.

Meeting at 9:15 in the church sanctuary the Adult Bible Class will continue its study of the Epistles of Peter under the direction of Dr. Donald Garner. At the same time the Sunday school classes will hear the stories of Jonah and the Raising of Lazarus.

On Sunday evening the youth of Faith will host groups of the San Gabriel Valley in a Folk Dance to be held in the parish hall. Other events for the week include Sunday School Teachers and Children's Choir at 7:30 on Tuesday evening, Junior Instruction Class for 7th and 8th grade pupils on Wednesday afternoon at 4, Wednesday evening Bible Hour at 7:30 on Wednesday evening, and Senior Choir at 8 on Thursday evening.

Meeting

The Pasadena - Foothill Division of the California Retired Teachers Association will meet Monday, November 11 at 1:30 p.m. in the fellowship hall of the First United Methodist Church of Pasadena. Mrs. Arlene Herring will speak on "What Is New In Medicare?"

Services Held For Dorothea Pederson

Services are to be held at 11 a.m. Wednesday, November 6, for Dorothea Helena Pederson, age 58 who passed away in her home at 565 Woodland Drive after a lengthy illness.

A housewife, she came to California 23 years ago from New York and has lived in Sierra Madre for the past 16 years. She leaves to mourn her passing her husband, of the home address, Ernest R. Pederson, one daughter, Mrs. Gerald Hetzel of La Puente; a brother William Hedler, Huntington Beach and a sister, Mrs. Frederick Ruppel of Buffalo, N.Y. and one grandchild.

Services were in Ripple Mortuary with Rev. Richard J. Anderson officiating. Interment was in Rose Hills Cemetery, Whittier.

Local Resident To Host Alpha Gamma Deltas

"History — Past and Present" will be the topic discussed by a representative of the Pasadena Art Museum at the November 14 meeting of the Alpha Gamma Delta Alumnae Club of the San Gabriel Valley.

Hostess for the evening will be Mrs. Frank Kuchenski, 180 Colony Drive. The program, along with coffee and dessert, will begin at 7:30 p.m.

For further information, please call Mrs. Kuchenski at 355-8138.

The average Peace Corps Volunteer is 24 years old and a college graduate in the liberal arts.

Legion Auxiliary Sponsors Of Education Week

November 10 through 16 will be the 48th observance of National Education Week. This observance is sponsored by the American Legion, the National Education Association, the National Congress of Parents and Teachers and the United States Office of Education.

From the Legion viewpoint the purposes are as follows: To stimulate moral and spiritual values; to strengthen the nation; to provide equal opportunity; to foster lifelong learning; to promote economic prosperity and to strive for healthy personality development.

Citizens of this community are urged to visit their local schools; to fly flags and attend observances of Veterans' Day; to cooperate with all service clubs, local police, newspapers, and churches in the interests of advancing a well rounded life for all children. "Education should serve as a means to a satisfying personal life. Each child's education should enable him to find out what his abilities are, to be happy with them and to make the most of them throughout his life."

This is a quotation from the Bulletin from National American Legion. The local unit of the American Legion Auxiliary, Unit No. 297, will meet on November 14 at the home of Mrs. Helen Wheeler, 672 Brookside Lane, at 8 p.m.

Rev. Anderson Announces Sunday Sermon

The Rev. Richard J. Anderson of the Sierra Madre Congregational Church, 170 W. Sierra Madre Blvd., will speak this Sunday on "The Power of the Gathered People," at the 11 a.m. worship service.

Rev. Anderson says, in commenting on the sermon, "The true power of those who gather themselves for Christian worship is not always evident to the casual worshipper. Christmas and Easter call forth many who come to church only on these and other rare occasions. They may be aware of the seasonal decorations in the sanctuary and whether they did or did not like the minister's sermon. They may or may not enter into the hymn singing and prayers of the service. But all this does not explain the true power of Christian worship."

"The true power of a Christian Church is to be found in the simple promise of Christ. 'Where two or three are gathered together in my name, there am I in the midst of them.'"

"The reality of this promise is experienced only by those who believe it in simple faith. There is a spiritual reality in the presence of Christ beyond that which one finds as he is alone with his own thoughts. This spiritual reality is the power of the gathered church. To those who realize and recognize the present reality of Christ in their midst, Jesus of Nazareth becomes more than an historical figure. To those who believe, He becomes Jesus of personal, contemporary, alive and powerful in their lives! It is therefore important to worship as often as possible, but true worship must focus in the present reality of Jesus Christ."

Church school and adult Bible class will be held at 9:30 a.m.

Ascension Parents To Hold Benefit

Ascension School Parents Club is sponsoring a benefit marionette show given annually by the Bob Baker Marionettes. The Bob Baker Marionettes are nationally famous for their delightful presentations. This will be their only performance in Sierra Madre this year.

Saturday, November 9, at 10 a.m., in the Woman's Club, 270 W. Sierra Madre Blvd., is the time and place.

All children are invited. Tickets (\$1 donation) will be available at the door, or they may be obtained by calling 355-7276.

Also, the parents and friends will be square dancing at the Parish Hall, 25 E. Laurel Ave. that evening at 8 p.m. All square dancing enthusiasts are welcome.

SPORTS AS Hank Ives SEES IT

OLD HANKUS CRYSTAL BALL SMOKES

TOOT THE HORN, ring the bells, Old Hankus has one of those weeks you shout home about in the predicting department. Seventeen out of 20 with one game ending in a tie. The season performance now reads 101-34.5 for a 75 per cent rating, and that ain't bad Maudie.

ALL THREE local elevens figure to increase their win column by one after coming weekend play. Would you believe the combined won-loss record of the three high schools reads a torrid 18-2-1?

THIS WEEK, PASADENA figures to belt Glendale pretty good at Horrell Field Friday night, MUIR should win at Burbank Friday night, and BLAIR should bring back a winner from Hoover Saturday evening.

PASADENA'S LANCERS gave Long Beach a fits last week but finally succumbed 26-23. They get another Metropolitan toughie this week in pass-heavy Santa Monica and sorry to say, we look for a CORSAIR victory.

SOME FOLKS feel that USC's Trojans are the number one team in the nation. Mighty good, yes, but if we were to pick the number one team right now, it would have to be either Kansas or Ohio State.

HANKUS likes KANSAS over Oklahoma and OHIO STATE over Wisconsin this week but in the number one limberlawyer of the year, he tabs CALIFORNIA'S GOLDEN BEARS to edge the Trojans 24-21.

UCLA'S Bruins are undergoing growing pains with youngsters and it looks like a long rugged Saturday when they travel to Corvallis for a battle with the OREGON STATE Beavers. . . . IN UPSETSVILLE we tab STANFORD to knock off Washington. . . . OREGON, a really tough defensive team should be able to dump Washington State.

CAL STATE L.A. travels to San Luis Obispo for a tiff with Cal Poly and we look for John Erdhaus and company to come away with a 27-20 victory. . . . PURDUE should be able to handle Minnesota. . . . PENN STATE over Miami, Florida are maintaining their vigil at the bedside of the stricken president, making it perfectly clear to all the world that we are ready to make whatever concessions are necessary, should any sign of a willingness to seek peace be shown by the Bacilli. As a further demonstration of our good faith, and in order that no possible obstacle stand in the way of negotiation, the hospital announces that it is unilaterally stopping all medication as of noon today.

LSU to nip Alabama. . . . MICHIGAN over Illinois. . . . UPSETSVILLE. . . . INDIANA over Michigan State. . . . The RAMS should have little trouble with Norm Van Brocklin's Atlanta as the same goes for SAN DIEGO'S CHARGERS against Boston.

LITTLE THIS-N-THAT. . . . La. Canadian Jim Kirt wasn't the slightest bit dismayed at the 3,081 opening night attendance for his brand new Los Angeles Stars. The Sports Arena crowd was vociferous, the young Stars played well against a veteran New Orleans team and there is more than just hope for the future. Kirt was a mighty happy fellow, along with coach Bill Sharman when the Stars clung to a 108-104

Two-door Hardtops
 Forty-three percent of the American cars produced last year were two-door hardtops, reports the National Automobile Club.

CENSUS OF THE PRESS about the red, white and blue ball employed by the ABA. They don't like it. However, I'll betcha nicker after a couple of weeks they will think the regular brown ball used by "that other league" is drab and just no fun at all.

WATCH FOR EXPLOSIONS to come out of the Forum in the near, near future. The Lakers are not playing well and the same goes for the Kings. Just hope that owner Jack Kent whatishisname doesn't take it out on Butch van Breda Kolf and Red Kelly. They are fine gents and excellent coaches.

THE STARS host Dallas Wednesday night (Nov. 6) and Mel Daniels and the Indiana Pacers Sat. night (Nov. 9). . . . A new thought on the JR. ROSE BOWL situation. Jack Curcio and his U.C. Santa Barbara Gauchos would make a colorful host eleven. They put the ball in the air a lot and have recently put together four straight wins. I still think the JRB lost something solid when the Jr. Colleges went for the state playoffs, but you can always count on a good colorful, entertaining afternoon.

JUST ASKING. . . . Why is the Rose Bowl track in such lousy shape? Eaton Canyon's Golf Course looked mighty funny last Thursday. On every tee — gals dressed in Halloween costumes. Bet their scores weren't much to look at. Sort of difficult to take a full backswing wearing a witches outfit.

QUOTABLE QUOTE. . . . "What's an O.J. Daddy?" Yep, number three daughter, aged seven, asked that very question.

Letters to Editor

Dear Editor:
 A spokesman for the team of physicians attending the seriously ill president reported today that no communication has been received from the Pneumococcus Bacilli. Negotiators are maintaining their vigil at the bedside of the stricken president, making it perfectly clear to all the world that we are ready to make whatever concessions are necessary, should any sign of a willingness to seek peace be shown by the Bacilli. As a further demonstration of our good faith, and in order that no possible obstacle stand in the way of negotiation, the hospital announces that it is unilaterally stopping all medication as of noon today.

— George L. Clark

LEGAL NOTICE

SIERRA MADRE NEWS

CP 641-68 PC

NOTICE OF

PROPOSED CONDITIONAL USE

PERMIT FOR SUBDIVISION
NOTICE IS HEREBY GIVEN that the Planning Commission of the City of Sierra Madre will hold a public hearing Thursday, November 21, 1968, at 8:00 p.m., in the Council Chambers of the City Hall, 55 West Sierra Madre Boulevard, Sierra Madre, California, in regard to a C.U.P. zoned hillside area. The property to be considered is a portion of Lot 3, Tract 16611 portion of Lot 22, Sierra Madre Tract; portion of Section 17, T. 1 N. - R. 11 W. S.B.M. Said total property contains approximately 7.36 acres, of which 4.8 acres is included in this application.

In accordance with City Code Section 9410.4, the following information concerning this application is provided:

1. The density of seven lots in 3.6 gross acres is less than 10, two lots per gross acre permitted by Section 9410.4.1.

2. Access to the proposed lots is to be over the existing private drive located at the northerly end of Auburn Avenue.

3. The proposed seven lots will have frontage on a public street with a proposed width of 22 feet of pavement within a 40-foot right-of-way. The total length of

the proposed and future cul-de-sac will be 380 feet. Section 9410.4-6 allows such reduced width for cul-de-sacs of 350 feet or less.

4. No grading is proposed on these parcels. In the natural state, none of the proposed parcels comply with the requirement of a maximum of 10 percent slope for a level 6,000 sq. ft. pad area. All lots must meet the minimum requirement for 75-foot frontage at the building line.

5. Easements for fire roads to certain undeveloped areas may be required where determined by the Fire Department.

6. All other proposals are in accordance with the CUP Hillside Ordinance.

Application and drawings are on file in the office of the Secretary of the Planning Commission.

The application for said Conditional Use Permit is based upon the grounds that there are special circumstances attached to said property which generally do not apply to other properties in the same district and vicinity; that the granting of a Conditional Use Permit as aforesaid will not result in a material damage or prejudice to other property nor be detrimental to the public welfare or injurious to persons in the vicinity thereof; and that the proposed Conditional Use Permit, if granted, would be subject to such conditions as

the Planning Commission may deem necessary to assure that the spirit and purpose of the Zoning Code will be observed, public welfare and safety secured and substantial justice done to all parties.

NOTICE OF

PUBLIC HEARING

NOTICE IS HEREBY GIVEN that the Planning Commission of the City of Sierra Madre will conduct a public hearing on Thursday, November 21, 1968, at 8:00 p.m. in the Council Chambers of the City Hall located at 55 W. Sierra Madre Boulevard, Sierra Madre, California, to determine and consider the addition of the following City Code Section (Modifications may be made to the proposal as a result of such public hearing):

Section 9475. Location of Garbage and Rubbish Receptacle and Containers

No garbage or rubbish receptacle or container shall be located in any front yard area on any property classified in this Zone. No such rubbish or garbage receptacle or container shall be located in any side yard area so that the same is visible from any public street abutting the lot upon which the same is placed or located. Notwithstanding any other provision of this Code to the contrary, all properties as classified in this Zone shall comply with the regulations contained in this Section within thirty (30) days from and after the effective date hereof.

All persons may attend such hearing and be heard with respect thereto.

\$213,142 In Christmas Clubs At Altadena Federal Savings

A distribution of Christmas Club funds of \$213,142.59 has been announced by Altadena Federal Savings and Loan Association.

In making the announcement, Arthur L. Ferris, president of the association, emphasized that this is a normal event at this time of the year, and a particularly happy one for Christmas Club members. Said he: "This is when being a club member pays off, and last year's planning and foresight becomes a reality thru 50 weeks of accumulated savings, plus earnings. Thus, the financial burden of the coming holiday season is lightened."

This year's distribution, according to Mr. Ferris, reflects the funds accumulated by 1017 individual club members, as well as some \$4,660.09 in earnings accrued on principal during the fifty-week membership period.

Mr. Ferris pointed out

that: "Club members have discovered that this is a relatively painless method of preparing for holiday spending or any other year-end financial obligation. This kind of forward thinking is especially appreciated as November and December roll around and Christmas and the New Year loom ahead."

Club membership is simply attained. All that is necessary is the setting aside of a fixed sum, small or large, each week. For example, to collect \$25, plus earnings, at the end of the fifty-week period, all that a member has to do is save 50 cents a week during this period. A larger amount, such as \$1,000 would require setting aside \$20 a week for the same period. Saving is made easier by the use of pre-dated slips provided for each club member. Each Christmas Club account, it should be noted, earns the same high annual rate as a regular savings account.

ASK FOR MR. FRENCH

From the FIRE SIDE By One of the Boys

I have certainly witnessed people shaking in my time, some from fear, others from the D.T.'s and some with excitement, but last Tuesday morning I saw Don Burleson do the shake of all shakes.

It all happened when he reached into Post Office Box 241 and brought out a hand full of green envelopes, those are the one you know where the good citizens of Sierra Madre are returning their checks for the Dance to be held Saturday, November 30.

Don is a one hundred percent believer in the fire department, more especially where he earns his bread and butter, but anyway anything that the fire department does, prevention or suppression, Don wants to succeed and he becomes very excited as it progresses toward success.

Ticket sales are coming in a little slow, but steady, and to date we have reached about 20 per cent of our goal, but then this is only the first week and we have four weeks to go. So by the will of the good people of Sierra Madre the Fire Department may make its goal of \$3,000. We certainly hope so.

What a humdinger of a fire call was that one on Saturday night, October 28. That was the night of the Firemen's Costume Halloween Party. The party started at 8 p.m. and the fire horn blasted at 8:10.

No need to tell you, we had Indians, we had dancing girls, you name it and we had them running the fire department. The woman's car that was on fire was laughing so hard she could hardly give the report about the fire to the secretary. Can you imagine standing there while your 1966 Cadillac is afire and laughing.

Fire Chief Brown was running around looking as though he hadn't shaved in a month and his pants were ragged and ripped, my oh my, what a scene.

The costume party was held at St. Rita's, and the boys were just in the job of setting up the radio, when

the horn blasted. Some of them didn't want to go, figuring that someone was pulling a gag. Of course this is something that you just do not do in case of a fire call. You go and if it's gag you laugh with the crowd.

Anyway it was a great party and the spice of the party was the fire call at 8:10. It couldn't happen to a better group of guys.

eW were sorry to hear that Assistant Fire Chief John Goodall had to take a three months leave of absence from meetings and drills. Glad that he offered a hand with fires if he was available. Of course, with all sadness comes a bit of gladness, and we have noted two, three or maybe four new, young faces hanging around the fire station at meeting and drill time. I have a feeling that soon we will be receiving some new applications.

It Looks Better!

The long, hot summer of racial discord turned out to be much cooler than many Americans had expected.

Not only was there a decrease in the number of riots during June, July and August, compared to the same months of 1967, but there was a sharp drop in the severity of those which did occur, causing wonder whether we may be witnessing a true turn for the better both in race relations and in the maintenance of domestic order.

But one defect in comparing summer disorders is the fact that violent turmoil no longer is seasonal. 1968 looks less encouraging, for example, considering the April riots in Washington, Chicago and some 70 other cities. Moreover, police now have learned how to cap outbursts of trouble before they become major conflicts, a fact which makes purely statistical comparisons less valid.

Yet there does seem to be ground for at least some encouragement. For example, there is some evidence that Negro migration into the cities is slowing and may actually be declining, a fact which should ease the problem of assimilation and impact.

Also, according to government figures, in terms of income, housing and education, black achievements not only are reaching all-time highs, but comparative gaps between whites and blacks seem to be narrowing.

Perhaps most often overlooked among the encouraging signs is the added fact that, increasingly, the business community of America—the downtown power structure of the cities—is becoming involved in the struggle to save the American political and economic system from violent destruction.

Further, partisan political leadership holds out the hope of black capitalism to make it truly possible for Negroes to take part in the free enterprise system.

But not all aspects of the black-white equation are heartening. Ever since the murderous 1963 bomb blast which destroyed a Baptist church in Birmingham, black militancy has been increasing and the process of separatism has been underway in earnest.

The black-white coalitions ended in 1964. NCAAP and SNCC have fallen into contempt with many blacks, and Stokely Carmichael, now traveling in Africa, has become "prime minister" of the ultra-radical Black Panthers. The Panthers, according to Eldridge Cleaver, are stockpiling weapons to make it "very expensive to white society to do violence to the Negro community."

It seems to be clear that black anger and white anger have grown about equally through the last few years of tension and violence. Still unresolved is the question of whether we now face, for the first time, a long hot winter of racial warfare and inner city violence.

Private Enterprise Works

A heartwarming story of how our American private enterprise system offers opportunities and rewards to those who are willing to put it to work comes out of Southern California.

A year ago five Dutch farm families migrated from the Netherlands to Carpinteria to raise flowers. With limited funds, no friend or relative, and with only one of the group able to speak a little English, they did their own weather and resource surveys, made a down payment on 26 acres, brought a dismantled old greenhouse over from the old country, cut their first flowers last November, and have since grossed more than \$250,000.

Said one of the group's leaders, Hank Van Wingerden, in an interview with the Los Angeles Times: "We do good because going together we are strong. And we work hard, sunup, sundown, all us, men, women, kids, too."

Asked why they left a spot where their families had raised flowers for generations, Van Wingerden explained: "Too much socialism. Too many bureaucrats spoiling Holland. Sure, taxes in America. But not like Holland. Government insurance on everything to make socialism work. Have to pay, pay, pay."

We don't like to disillusion these admirable people, but there are those in America who are working hard to turn America into another Holland. Pay, pay, pay.

Mighty Relic

Nothing about war is really very stirring any more, but somehow there is a special, rather nostalgic tinge to the picture of an old battleship roaring its mighty voice at the enemy again.

When the 16-inch guns of the refurbished New Jersey broke their post-Korean war silence the other day, with telling effect against North Vietnam targets, it was almost a throwback to the era of romantic sea battles and the day when mutual gallantry was the frequent mark of combat.

It is just as well, of course, that the dirty and dreadful, deadly wastefulness and agony of war have become the hallmark of international conflict. Heroism there is in enormous quantity, but the uselessness, the tragedy, the grime, the unending futility should make us even more determined to end war as an instrument of diplomacy.

If a gallant old relic can come back to speed that day, a 21-gun salute to her.

Original Plan Looks Good

As the saying goes, "You shouldn't kick somebody when he's down." But, the Post Office Department has been down for a long time and, instead of getting up, is sinking lower. The Post Office Department employs three-quarters of a million people and spends over \$6.6 billion a year. It now requires mail users to do a large part of the sorting work by Zip Coding their own mail, and still in 1967 the department ran in debt \$1.2 billion and gave poorer service than ever before.

Originally, the postal service was set up by Benjamin Franklin in 1792 as a private enterprise. It was efficient and made a profit. The U. S. Post Office Department was created 70 years later. Maybe it's about time we got back to the original plan.

'When She Was Bad . . .'

The old saying was that little girls are "sugar and spice and everything nice," but comes now a mean old Maryland psychologist to say it ain't necessarily so. He claims that they are sneakier than little boys, at least in school; that they tend to cheat more on tests, especially when the rewards based on those tests are to be made publicly.

Perhaps Mr. Psychologist remembered only that other old jingle about the little girl "who had a little curl right in the middle of her forehead, and when she was nice, she was very, very nice, but when she was bad she was horrid."

GAGGING THE RHODESIANS

It is shocking and almost incredible, but nonetheless true, that even as the nation was in the midst of a presidential election and concerned about ominous new Soviet aggression in Central Europe, the Johnson administration found time and had the desire to engage in new, petty acts of retaliation against Rhodesia, one of the few countries that has offered to send troops to Vietnam to assist embattled Americans.

While the vast majority were concerned about truly serious things, some smart alecks in the U.S. Treasury fired off a letter to Washington banks, ordering them to block the checking accounts of the Rhodesian Information Agency. The two Rhodesians who man this agency found they couldn't pay their rent or buy groceries.

Most Americans surely will feel that the United States is too great a nation to stoop to this kind of petty business. The only effect of it, aside from causing the two Rhodesians inconvenience and personal difficulty, is to cut off the American people from access to information offered by the government of Rhodesia. The blocking of the checking accounts, therefore, really struck at the U.S. public, for it was a crude act of news management.

Fortunately, the brave Rhodesians have good friends in Congress — men who bear in mind that Rhodesia is an anti-communist bastion in Africa and has leadership with plenty of intestinal fortitude. The fund cut-off has produced a barrage of criticism of the Treasury's act.

The U.S. public would do well, however, to think about this mean slap at Rhodesia. It is the latest in a series of absurd measures designed to please the socialist government of Great Britain and the Afro-Asian majority in the United Na-

tions. One of the first things a new administration should do is acknowledge Rhodesia's independence and seek an exchange of ambassadors.

The U.S. should categorize as nonsense the United Nations assertion that Rhodesia is a threat to peace. Nothing could be more absurd. Only hypocrites would accept the U.N. line.

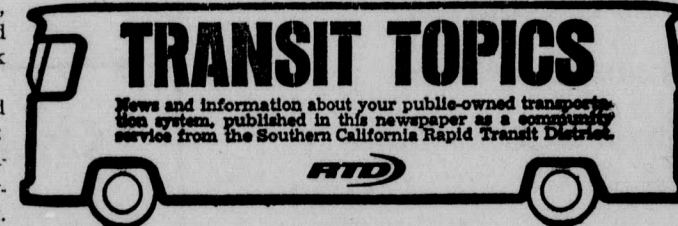

It should be noted in this connection that the government of India has been in the vanguard of nations seeking U.N. action against Rhodesia. But when 650,000 Russian soldiers stormed into Czechoslovakia and carted off the Czech leaders to Moscow, Indian declined to condemn the Russians. It was a sample of the old U.N. double standard, which invariably is applied against civilized elements and nations in Africa.

It is outrageous, in the view of many Americans, that the Johnson administration took far stronger economic measures against Rhodesia than it would take against communist countries. Indeed the measures taken were ordered without congressional approval or consent, as is the case of a ban on trade with Rhodesia. Ironically, this trade ban resulted in the U.S. buying chrome ore from communist Albania and Russia instead of from the normal source, anti-communist Rhodesia.

While Rhodesia occupies only a small space on the globe, it is full of significance for American foreign relations. Our treatment of the Rhodesians typifies what's wrong in our foreign policy; we treat our friends badly while finding excuses for our enemies.

The United States has few friends on the African continent — few lands where Americans are treated with respect and may move with safety. Few states offer opportunities for legitimate investment — the investment that is protected by a constitutional government that keeps its word. Rhodesia and the Republic of South Africa are the two African nations that Americans can trust. But they are the nations that consistently receive ill treatment from the liberal ideologues who have been in charge in Washington for the last

I spoke at a function the other night and among the remarks I made was this statement, "The quality of transportation, good or bad, is the direct result of the people." There is an age old rule of supply and demand, but in transportation there is a different rule called demand and supply. It works like this. If the people ride buses, thereby, creating a demand, the bus company will supply the service.

The RTD is continuing to establish new lines, lengthening old ones and adding service. The 119 line, for example, has been extended on the Pasadena end from Allen Avenue at Oakdale Street, east and north to Foot-hill and Michillinda Avenue. This will allow residents along Del Mar Avenue access to new shopping centers. Service on the 31 line has been doubled from Eagle Rock to Lake Avenue in Pasadena. In addition it is now possible to reach the Yosemite Drive area of Eagle Rock from Pasadena without transferring.

We are fast approaching that time of the year when SMART shoppers are buying Christmas presents for Aunt Fostoria or Uncle what's his name. RTD provides an excellent off peak shopping service to most of the better shopping centers including downtown Los Angeles. I stress off peak, because during that time of the day seats are available and you miss the commuter. Your second choice is to wait until the last dog's hung to elbow your way through the mob only to find all they have left is size 12 in lavender.

THOUGHT FOR THE DAY — When you're getting kicked from behind it means you're in front.

- Q. How often does the Pomona bus go through Azusa?
A. I've tried and tried to get a timetable and can't seem to locate one. Mr. J.P.
- Q. Next time try the Thrifty Drug Store nearest you. The 64 line to Pomona runs through Azusa 4 times a day, 8:21 a.m., 12:01 p.m., 3:09 p.m., and 6:34 p.m. There, you have the whole ball of wax.
- Q. How do I go to Whittier by bus from Alhambra? I live on Garfield south of Huntington Drive. O.K.
- A. Catch the 61 line on Garfield to Whittier Boulevard. Change at Atlantic to the 72 bus that goes to downtown Whittier.
- Q. I live in West Covina and am attending Rio Hondo College. Is there bus service to the campus? S.K.
- A. No. RTD tells me one of the major problems is the access roads. One would need a Jeep to reach the school.
- Q. Please tell me what the fare would be from Rosemead to Wilshire & Alvarado, and how long would it take? H.C.
- A. The fare would be 62c, plus 5c for a transfer. The time needed one way would be approximately one hour.

Send your questions to Artie Dee, Transportation Editor, care of this newspaper. All questions will be answered in the column, or by mail. A system map will be sent FREE to each person writing in. NO RETURN STAMPS OR STAMPED ENVELOPES ARE NECESSARY.
